March 16, 1992

Mr. Lee R. Brown
Vice President
Magnesium Corporation of America
238 North 2200 West
Salt Lake City, Utah 84116

Dear Mr. Brown:

Re: 2nd Request for Submission of the 1991 Annual Report

In checking over our records for the year 1991, we find that we have not received annual reports from you for the Rowley Magnesium Facility, M/045/008 and the Knolls Solar Ponds, M/045/022. These reports are required under Utah Code Ann. §40-8-15(2) and Utah Admin R647-4-121 of the Utah Mined Land Reclamation Act.

Due to this oversight, would you now please fill out the enclosed annual report forms and return them to this Division by April 10, 1992. These reports are required annually until the site has been completely reclaimed and/or reclamation surety released. If you do not have the MR-AR forms, please contact me and I will forward them to you.

Thank you for your immediate attention to this matter.

Sincerely,

Joelle Burns
Minerals Secretary
